# Environmental Control Coordinator (ECC)

(Classroom & Asynchronous) TGS-2021008428 | Funding Validity: 13 September 2021 - 31 August 2023  
(Synchronous & Asynchronous) TGS-2021008429 | Funding Validity: 13 September 2021 - 31 August 2023

This is a 2-day course designed to equip participants with the essential knowledge and skills to develop and monitor the implementation of an environmental sanitation programme for their specified premises. Participants who complete this course will be able to register with NEA and perform their duty as Environmental Control Coordinators, should they meet the ECC registration requirements.

The participant will be able to understand the importance of the Environmental Sanitation Regime, the roles of key stakeholders i.e. Premises Managers and Environmental Control Coordinators, and have an overview of pest management, cleaning and disinfection, infectious diseases prevention and control, and indoor air quality to be able to draft and oversee the implementation of the Environmental Sanitation Programme in his or her role as Environmental Control Coordinator.

**Course Outcomes:** Participants will be able to

- ✓ Understand the importance of the Environmental Sanitation Regime.
- ✓ Understand the roles of key stakeholders i.e., Premises Managers and Environmental Control Coordinators.
- ✓ Have an overview of pest management, cleaning and disinfection, and indoor air quality, and infectious diseases prevention and control.
- ✓ Draft and oversee the implementation of an Environmental Sanitation Programme as Environmental Control Coordinators.
- ✓ Acquire the essential knowledge and skills to perform their duties and for obtaining an ECC certificate of registration.

### Topics Covered:

- 1) Environmental Public Health Act
- 2) Roles and Responsibilities of Environmental Control Coordinators (ECCs)
- 3) Indoor Air Quality
- 4) General Cleaning and Disinfection
- 5) Overview of Infectious Diseases, Infection Prevention and Control
- 6) Pest Management

### Course Name:

Environmental Control Coordinator (ECC) Course

### Who should attend:

- Premises Managers, Operators and Landlords of specified premises as listed in the schedule of specified premises; Environmental Public Health (Designation of Specified Premises) Order 2021
- Examples of specified premises: F&B outlets (only selected SFA foodshop licence type), Schools, Preschools, Eldercare, and Youth Facilities
- Anyone who wants to register as an Environmental Control Coordinator (ECC)

### Note:

- Should your premises fall under the specified premises mandated for the Environmental Sanitation Regime, you will be receiving or would have received a notification letter from your Sectoral Lead and/or NEA.
- If unsure whether your premises need to implement the Environmental Sanitation Regime, please seek clarification from NEA.

### NEA contact details are as follows:

Online Feedback Form:

<https://www.nea.gov.sg/corporate-functions/feedback>
